INTRODUCTION

The Chinese Agro-Food market is huge, rapidly developing and offers a lot of opportunities for Dutch companies. Joining forces with local Chinese companies will increase your success in China dramatically.

On July 7th more than 60 Chinese Agro-Food companies will visit the Netherlands to meet you as their potential counterpart during the "Sino-Dutch Agro-Food Matchmaking Business Event".

Organized by Bank of China and the Netherlands Foreign Investment Agency, more than 100 companies from both countries in the field of Agriculture/Horticulture and Food processing will meet together and discuss direct cooperation possibilities.

All business partnerships established at this event will get the special one-stop-shop financial service provided by Bank of China. With their global network and rich experience of cross-border cooperation, a very fruitful result could be expected.

Take your chance to grow in China: your Chinese Agro-Food Business Partner is right here, right now!
