

2011 ANNUAL

CALN MEETING

DISEASE • MEDICINE • CAREER

Language: English

Program

9:00-9:30 **Arrival Registration, Reception and Sponsorship Standing**

9:30-10:00 **Opening and Welcome**

Opening and Introduction

J.W. Wang, *Chairman of CALN*

Welcome Speech

Prof. dr. F.C. Breedveld, *President of LUMC*

Opening Speech

Mr. J. Zhang, *Counselor/plv. Ambassador of Embassy of China in the Netherlands*

Prof. dr. G. Xu, *Representative of Chinese Delegation*

Scientific Lecture Part I (10:00-12:00)

10:00-10:30 Prof. dr. F.C. Breedveld, *President of LUMC*
Development and Challenges for the Scientific Research in the University Medical Centers in the Netherlands

10:30-11:00 Prof. dr. G. Xu, *Director of the Center for Metabolomics, Dalian Institute of Chemical Physics, Chinese Academy of Sciences*
Metabolomics in Human Disease and Drug Innovation

11:00-11:15 **Coffee Break**

11:15-12:00 **Keynote:** Prof. dr. A. Cerami (Discoverer of TNF) *LUMC, member of National Academy of Sciences(USA) and Institute of Medicine of the National Academy of Sciences(USA)*
The Value of Failure: the Discovery of TNF and its Natural Inhibitor Erythropoietin

Workshop I PhD Thesis and Professional Tips (12:00-12:30)

12:00-12:30 Mr. R.J.M. Pijnenburg, *BOXPress Publisher*
How to prepare, design and print your PhD thesis?
-Professional guidelines and tips

12:30-13:30 **Group Picture**
Lunch
Sponsorship Standing

Scientific Lecture Part II (13:30-16:00)

13:30-14:15 **Keynote:** Prof. dr. P.J.J. Hooykaas, *Institute for Biology Leiden (IBL)*, member of the *Royal Netherlands Academy of Arts and Sciences*
A Key to Plant Genetic engineering: Agrobacterium mediated transformation

14:15-14:45 Dr. H. Kong, *Dalian Institute of Chemical Physics, Chinese Academy of Sciences*
Application of Modern Analytical Technology in Quality Control of Traditional Chinese Medicine

14:45-15:00 **Coffee Break**

15:00-15:30 Prof. dr. A.J. van Zonneveld, *LUMC, Vice-director of the Eindhoven Laboratory for Vascular Medicine*
Rembrandt Institute for Vascular Medicine
Cardiovascular Research in the LUMC; Searching for Synergy

15:30-16:00 Dr. Y. Bai, *Assistant professor, Laboratory of Plant Breeding, Wageningen UR Plant Sciences*
Plant Breeding in Genomic Era

Workshop II Authorship, Author and Publication (16:00-16:55)

16:00-16:55 Dr. A.L. Newman and Mr. J.A. Majoor, *Senior Publisher Life Sciences, Elsevier Group*
How to Get Your Articles Published!

16:55-17:00 **Closing**

Prof. dr. Z. Dang, *Honorary Chinaman of CALN*

17:00-17:30 **Drinks and Network**
