

MATCH!

Do you accept our challenge?

20-25 MAY 2012

HOW BRIGHT IS YOUR FUTURE?

Are you eager to push the limit and rise to a challenge? Are you down to earth and able to engage and inspire others? Are you aiming for a career at an international top employer? Then YOU are just the kind of person we are looking for! Sign up for MATCH!

MATCH! is DSM's technical business course for international top talent. It offers people like you the unique opportunity to visit some of DSM's major sites in Europe and learn about our business. You will enjoy working on challenging cases with peers from various countries and experience our company from the inside.

What do we offer Running from the 20th through the 25th of May 2012, the MATCH! business course provides you with the unique opportunity of getting to know DSM from the inside; its people, its locations, and its activities across Europe. During this experience you will visit DSM's major sites in Europe and learn all about the business. You will meet peers from all over the world and work with them on challenging cases and presentations.

Our Objective We want to show you what DSM is and what we stand for with the ultimate goal of hiring international technical top talent for a career at DSM. Several challenging, entry-level positions are available at different locations in Europe for a select number of participants from the 2012 MATCH! course.

Who We would like to get in touch with top talents who are in the last year(s) of their Master/PHD/MBA studies and have a background in one of the following disciplines:

- Research & Development
- Manufacturing & Technology
- Supply Chain Management

How to join Do you want to join the course and want to be MATCHed to one of our open positions? Please apply online via www.dsm.com/careers, send us your CV and a letter of motivation BEFORE 23rd March and let us know why you should be selected!
