Rotterdam Business School is an expert in international business and management study programmes. Founded in 1990, Rotterdam Business School has been part of Rotterdam University, University of Applied Sciences since 2002. Our English-taught Bachelor and Master programmes prepare students for successful careers in international business.

Education at Rotterdam Business School includes a mixture of knowledge accumulation, practical experience and personal development, allowing students to gain experience in their field and build their international network even before they graduate.

The dynamic harbour city of Rotterdam offers the perfect location to embark on an international study career. Home to the largest port in Europe, Rotterdam has global trade and transport links. A major factor of our success is staying closely tuned to the pulse of the city. We also have a vast international network of partner universities and corporate relations.

International Business and Management Studies (IBMS)

IBMS is a broad English-taught management study programme covering all aspects of international business and management. IBMS prepares students for professional careers in international companies. Based on a combination of elements from the fields of marketing, sales, finance, and management, the programme has a special focus on international trade and commerce. Graduates receive a Bachelor of Business Administration (BBA) degree.

Accelerated IBMS

Rotterdam Business School offers a 1.5 or 2-year Accelerated IBMS programme for students who have already obtained a two or three year college degree in business or have finished either two or three years at University (business studies). Students with a minimum of one-year work experience after finishing two to three years of study-

ing can apply for the 1.5-year programme. Students without the relevant work experience are required to take a half-year placement after completing the 1.5-year programme.

Graduates of the Accelerated International Business and Management Studies programme receive the same Bachelor of Business Administration (BBA) degree as students from the regular IBMS programme.

Programme

The Accelerated International Business and Management Studies programme consists of three or four semesters: two semesters of study, one semester writing a thesis and, depending on the student's work experience, a placement for one semester.

Pre-Accelerated Courses

An ideal starting block for the Accelerated IBMS programme! In view of the level of English required and different teaching and academic standards around the world, Rotterdam Business School has developed two Pre-Accelerated Courses to prepare students for the Accelerated IBMS programme.

12-month Pre-Accelerated Course (part 1)

A one year preparation course for the 1.5/2 year Accelerated IBMS programme. The first six months of the course consists of lower intermediate English, study career coaching and Business essentials. After completion of the first six months students will continue in the 6-month pre-accelerated programme. The 12-month Pre-Accelerated course starts in February. All documents need to be received by our admission officers before December 1.

Admission requirements

Successful completion of at least 2 years at university (business major) or a 2-3 year college diploma in business. IELTS 5.0/TOEFL iBT 60.

Tuition fee

€ 7,500.-*

6-month Pre-Accelerated Course (part 2)

A 6-month preparation course for the 1.5/2 year Accelerated IBMS programme. The course consists of higher intermediate English, project management, marketing, finance and accounting, management and logistics. The 6-month Pre-Accelerated course starts in September. All documents need to be received by our admission officers before June 1.

Admission requirements

Successful completion of at least 2 years at university (business major) or a 2-3 year college diploma in business. IELTS 5.5/TOEFL iBT 70.

Tuition fee

International Experience

The Accelerated International Business and Management Studies programme offers students a blend of practical and theoretical knowledge. Students develop their knowledge, competencies and skills by participating in lectures and study groups with other international students. This enables them to apply their knowledge, to expand their international network and familiarise themselves with a variety of cross-cultural situations.

Accommodation

The Rotterdam Business School can provide accommodation for international students who are accepted into the programme. The rooms are rented per term and cost €450,- per month (subject to change). Please contact the GR&SS office to make room reservations.
