Dear Applicant,

We are pleased to inform you that you have been admitted by the Academic Committee on Admissions of Wageningen University to the MSc Programme Organic Agriculture, which starts in September 2013.

Please note that you have been admitted to the study programme on condition that you will obtain your BSc-degree. A verified copy of your degree should be submitted to the Student Service Centre (SSC) of Wageningen University as soon as possible, but before September 2013.

Please note that international students requiring an entry visa for the Netherlands should submit a verified copy of the Bachelor degree before July 1, 2013 .

The study load of the MSc programme is 120 ECTS ¹⁾ credits. This is the equivalent of two academic years. You will compose your definite study programme in consultation with your study advisor, after arrival in Wageningen. The main aspects of your study programme and the planning of the education will be laid down in a 'Study Contract' at the beginning of your study. This may imply that there are restrictions to the specialisation or track that you can follow within the programme.

Please contact the study advisor of your MSc programme (information can be found in the pre-departure guide, available on www.ssc.wur.nl/uk).

You ²⁾ are kindly requested to confirm your participation in the MSc programme by completing the confirmation form in STARS. Please log on using your STARS username and password.

With regard to the funding of your study, please indicate on the confirmation form the name and address of your sponsor or whether you will pay for your studies yourself. Upon receipt of this information, the Student Service Centre (SSC) will contact you or your sponsor to arrange the financial matters regarding your study in Wageningen.
